

## Manifesting with Angels

I pray that God will send Archangel Jophiel, Archangel Michael and Archangel Raphael to be with me. I invite all the manifesting, protective and healing angel to be with us. I ask that our spirit guides, ascended masters and ancestors join us.

I pray that Archangel Jophiel will envision the healing of my\* outer mind and uplift my thinking. Fill every cell, tissue and fiber with the Love and Light of God. Purify my blood and open all of my chakras.

I pray that Archangel Jophiel will send this vision to Angel Paschar, who will envision this, clarify it and project it up into the universe.

Where, Angel Jamaerah will receive, condense and manifest this true heart felt desire.

I pray that Angel Iofiel will add the beauty of God and that he will shine his Light upon me\* and be merciful unto me\*.

And, that Angel Galgaliel will increase the vibration of love within me and all around me\* and create a vortex of Love

And, that Angel Micah will send this Vortex of love to every place it needs to go.

I pray that Angel Shekinah will unite me with God so that I am my Highest Self

And, that Archangel Jophiel will help me to envision this heart felt desire with the intention of Love and Healing.

And that Angel Ongkanon will communicate this to all the manifesting angels, the healing angels and the protective angels

Amen
